The rewards of volunteering are endless. It is a great commitment but equally rewarding opportunity to embark on the journey of animal rescue. We welcome you and are excited to have you be a part of our mission. The shelter needs a minimum of 12 volunteers daily, 7 days week/365 days a year, to provide adequate care for the residents within our shelter. The animals count on us so it is **crucial** for you to report to your scheduled shift. As our animals depend on your commitment, please be certain to give ample notice if you are unable to fulfill your shift. We prefer all volunteers to commit to two hours a week, but require a minimum of two hours a month to remain active. We may, on occasion, need help to fill in our schedule. If you are able to help when these vacancies arise, please let us know.

*Thank you for wanting to volunteer with us! We are excited to have you here!*
